BACK LABEL:

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To clean and sanitize hard, non-food, non-porous surfaces: ~~Push cap down and turn.~~

Dilute ½ cup of [insert product name] in a gallon of sterile deionized water and apply to surfaces with a mop, cloth or sponge.

-or-

Apply [insert product name] directly to surfaces with a mop, cloth or sponge.

Leave on surfaces for at least 5 minutes. No rinsing required.

STORAGE AND DISPOSAL: Store in a cool, well-ventilated area inaccessible to small children and pets. Non-refillable container. Do not re-use or refill this container. Offer for recycling if available or discard in trash.

PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

DO NOT SWALLOW. DO NOT HEAT.

Physical or Chemical Hazards: Do not mix with other household cleaners to avoid irritating fumes.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

For general information on product use, etc., call the National Pesticides Information Center at 1-800-858-7378. You may also contact the poison control center at 1-800-222-1222 for emergency medical treatment information
